#### 2° day

9:00 traditional breakfast and departure for **Civitella del Tronto**, one of the most beautiful village in Italy, and optional tour of the majestic fortress considered as one of the biggest and most important European military engineering works. Characterized by an elliptical shape, from here it is possible to admire a stunning landscape starting from the ancient village below with its characteristic fort-houses, stretching till Gran Sasso, Laga, Majella and Twins mountains and reaching the Adriatic sea. The site is mainly known for being the last strong hold of the Kingdom of the two Sicilies which surrendered to Piedmont in 20 march 1861, three days before the coronation of the Italian King Vittorio Emanuele II.
